Low Risk Countries and Tier 4 Pilot Universities

Applicants who are from a country which is listed on [Appendix H](#) of the immigration rules, or who are studying a course that qualifies for the [Tier 4 pilot scheme](#) will be able to apply for their visa under the differentiation arrangements. This arrangement means that you would not actually need to submit documents such as your financial evidence, academic qualifications, or English language certificates as part of your application. However, you are still required to have these documents and you should not submit your visa application unless you have them prepared in case you are asked either at your visa appointment or upon entry to the UK.
