3. Log in to Canva or follow the prompts to create a free account

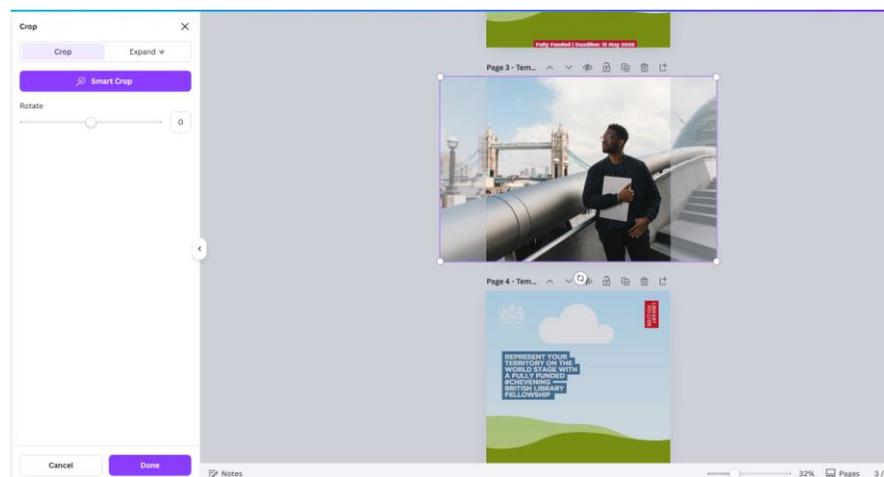

4. Edit the design

1. Drag and drop your photo onto the design (The goal of this template is to be edited by the local post, so you can showcase your local faces)

2. Double click on the image to adjust the photo's size and positioning as needed

5. Export the design

1. Once you're happy with the design, select 'share' > 'download' (top right-corner)

2. Select the respective pages you want to download and click download

The screenshot shows a web application interface for downloading a document. The main area displays a document page with a woman reading a book. The document text reads: "REPRESENT YOUR TERRITORY ON THE WORLD STAGE WITH A FULLY FUNDED #CHEVENING BRITISH LIBRARY FELLOWSHIP". Below the text is a red banner that says "Fully Funded | Deadline: 15 May 2026". On the right side, there is a "Download" panel with options for file type (PNG), size (1), and a "Download" button.
